“ *Jason, I'm so grateful we were able to text and share photos and memories these past two years. You always texted to check how I was doing. I never expected you to go first. Too young! I miss you but Tommy is with you now. Love, Aunt Barbara*

“ *Jason was my nephew. He had a sweet soul and a kind heart. He worked hard all his life so he could provide the people he loved with things they wanted. This always bought him joy. I know his joy is now in heaven with his Mom and Dad. Love you Jason*
