“ *My sweet childhood friend! We met in the 4th grade and became
inseparable for a long time. Unfortunately, we grew apart as we
became adults and life got in our way. I am so sad to hear of your
passing! You were always so strong and beautiful. Sending prayers
for your family. Fly high now Nora and thank you for being such a
wonderful friend!*

“ *Nora was a strong and wonderful person. You could not ask for a
better niece than her. She fought hard to beat cancer and done a
great job of it for many years. She took good care of her mother as
long as she could. She always had a smile on her face and a great
disposition about herself. Nora will be greatly missed by many. We
love Nora so much and will miss her more than anyone will ever
know.*
