“ *Our family knew Mr. Bill for about 12 years. In that time he became  
very close friends of ours, traveling with us frequently even on  
vacation. He really was a good man. He was loved God and knew  
the Bible. He will be missed. Condolences to the family.*

“ My family knew Mr. Bill for fourteen years in which time we welcomed him into our hearts and home. He was a very kind man who loved deeply. He was a Christian and knew the Bible. He was very talented in his mechanical skills of large farm equipment. He loved to cook fish and made the best homemade cold slaw. He strived to help others where and when he could. He became like a part of our family over the years, traveling with us to out of town doctor appointments, hospitalizations, and even family vacations out of state. He meant a lot to us. We learned about how much he loved Ms. Mary and his children. We were there for him as he was for us. He will be missed. We are so thankful he was a part of our lives during his healthy years, but are so thankful he is no longer suffering with illness. May he rest in peace. Condolences to the family.

“ Mr. Bill was an amazing man with mechanical things. He had a great knowledge of many things that he would always love sharing the many different ways to fix them. He will be greatly missed. May God give you all the peace and comfort that only He can provide during this time.
