Zackery Whitmire Obituary
Zackery Isiah Whitmire

of Dawsonville,GA

Graced us on this earth for 10,041 days.

He was born Sept. 9,1994 at Chestatee Regional Hospital in Dahlonega GA. He was a member of Amicalola Baptist Church but grew up attending Sweetwater Baptist Church in Dawsonville.

He attended school at Dawson County & West Hall schools. He worked his first job at Nichols Diner in Oakwood.

Zack was a beautiful soul so full of life and energy, spontaneous & spunky. At 6'4 this tall blonde haired blued eyed young man touched many lives that he crossed. He never met a stranger, he was kind and always put others before himself. He would literally take the shirt off his back or the shoes off his feet for you and never ask for anything in return. He loved music and used it as a tool to interpret life. It seemed there wasn't a song on the radio that he didn't know.

Zack was a great father to his 6 year old son and 3 children he called his own as well. He was a great provider for such a large family he had at a young age. His sister Julie would say he was the best big little brother anybody could ask for. He loved fishing, riding, mudding & loved his Georgia Bulldogs.

He is survived By his son Zaiden Whitmire, girlfriend April Courtright & her other 3 children; Jana Hoak, Jase Courtright, & Kierstan Courtright. Mother, Alicia Davis of Dawsonville GA, Father Stanley Whitmire of Gainesville Ga, Sister & Brother in law Julie & Anthony Reagin, nieces Paisley & Amelia Reagin of North GA. Chosen sister and brother in law Dan and Candy Wagoner of Lakeland GA. Many aunts, uncles & cousins and lots of friends who loved him dearly.

You will forever be loved and never ever forgotten brother.

We're gonna ride again.
